Re: FCC ID: TYD30911

To Whom It May Concern:

Enclosed please find an application for Change in FCC ID for the above mentioned FCC Identifier.

The original applicant, DesignTech International, LLC, has sold their products line to LogicMark, LLC and LogicMark, LLC wishes to obtain a grant of certification issued to them.

The equipment is identical to the previously tested and approved equipment.

Should you have any questions or require any further information, please advise.
